CDC Praxa - Microsoft Dynamics Fastest Growing Partner of the Year

Port Douglas, Australia – 7 August, 2008: Today, at the Microsoft Australian Partner Conference in Port Douglas, CDC Praxa is a proud recipient of Microsoft Dynamics Fastest Growing Partner of the Year award. This award celebrates and recognises the Microsoft partner who has grown their sales transactions and revenue by the greatest amount in the past year.

Microsoft Dynamics Fastest Growing Partner of the Year award highlights and recognises Praxa’s strong commitment & expertise in delivering Microsoft solutions and services to its Australian customers.

“CDC Praxa is very honoured to receive Microsoft Dynamics Fastest Growing Partner of the Year for 2008,” said Mr Frank Hung, Managing Director of Praxa Limited. “This recognition from Microsoft reflects CDC Praxa’s success in extending the Microsoft Dynamics platform to drive business advantages for our customers. CDC Praxa is proud to be one of the Microsoft Dynamics partners to be acknowledged and CDC Praxa will continue to bring the highest levels of Microsoft technical proficiency and know how to our customers on the latest Microsoft technologies, products and solutions.”

“Our partners are the lifeblood of Microsoft’s business and through the Awards we’re able to highlight and recognise those who have gone above and beyond in delivering exceptional technological solutions and services to Australian customers,” said Mr Paul Voges, Director of Small and Mid Market Solutions and Partner Group, Microsoft Australia.

“It’s an honour to acknowledge their dedication and success as part of the Microsoft partner community, and also to recognise the broader role that they play as leaders in Australia’s IT sector.”

The 2008 Microsoft Australian Partner Conference is the largest in the event’s 16 year history, with over 640 delegates in attendance representing more than 300 businesses from across the nation.

CDC Praxa was also recently inducted into The Microsoft President’s Club. The President's Club represents Microsoft’s top channel partners and this elite club recognises the top 5% of all Dynamics partners worldwide. Eligible President’s Club members were honoured at the 2008 President’s Club Reception and Partner Awards on 9 July, 2008 at the Microsoft Worldwide Partner Conference.

About the Microsoft Australian Partner ConferenceThe Microsoft Australian Partner Conference provides Microsoft’s partner community with the knowledge, tools and resources to help them expand their business and support their customers. Along with informative learning opportunities covering sales, marketing, services and technology, the Australian Partner Conference is an ideal setting for partners to garner valuable knowledge from their peers and from Microsoft.
