Lutheran Community Care to upgrade Business Management and Accounting System

Star Business Solutions has been engaged to assist Lutheran Community Care with their new Greentree and Community Care Solution

Star Business Solutions (Star) is proud to announce that Lutheran Community Care whose South Australian State Office is based in Sefton Park has engaged Star to provide, implement, train and service all of their Greentree business management & accounting software system requirements.Lutheran Community Care provides community services on behalf of the Lutheran Church in South Australia and Northern Territory. They support communities through responding to the needs of individuals and families, community development, learning opportunities, accommodation and support. Much of their work aims to address poverty and injustice so that those in need are empowered to achieve their full potential.

Lutheran Community Care services are based on respect, integrity and compassion. They work with communities to develop efficient and effective ways to respond to individuals and families in need. They embrace all people regardless of language, culture, ethnicity or religion.

Today, Lutheran Community Care has grown from one paid staff member to over 90 full time and part time staff and over 600 wonderful volunteers. There are 13 offices, four op shops and over 50 social and community programs that support many thousands of individuals and families every year across South Australia and the Northern Territory.Lutherans staff and volunteers walk alongside those in need to provide, not just the necessities of food, clothing and shelter but also support and care.Star [http://www.StarBusinessSolutions.com.au] is a market leading organisation in business management software solutions with offices inMelbourne, Sydney,Canberra and Adelaide.
