Samsung DoubleTime I857 - Dual Touchscreen Budget Phone

Now available unlocked and online

SamsungDoubleTime I857 is a very unique dual-touchscreen budget range Androidsmartphone. It is in stock now and available for purchase from MobiCity,Australia's own online mobile phone store.

Samsung DoubleTime I857 models an elegant round-edge flipdesign featuring a 3.2-inch dual TFT capacitive touchscreen display with ascreen resolution of 320 x 480 pixels. The main screen is available on theoutside, which when flipped open, brings about the secondary touchscreen havingsimilar specifications. Both touchscreen displays support multitouch and employTouchWiz User Interface for smooth screen navigation. A full physical QWERTYkeyboard is also available which makes Email and texting very easy.

The phone operates on a Qualcomm 800MHz Scorpion processorand is powered by Android OS v2.2 (Froyo). It comes with 256MB of RAM and 256MBinternal memory capacity which is expandable up to 32GB through microSD memorycard. The phone is loaded with Adreno 205 GPU for nice graphics and gaming.

The device sports a 3.15 Megapixel autofocus camera with apicture resolution of 2048 x 1536 pixels, video recording capability andgeo-tagging. Other features include - 3G connectivity, GPRS, EDGE, Bluetoothv3.0 with A2DP, microUSB v2.0, GPS, Java MIDP, HTML & Adobe Flash browser,accelerometer, proximity sensor, compass, SNS & Google integration,YouTube, music & video player, 3.5mm audio jack, image & video editor,document viewer, organizer, voice commands and predictive text input.

Samsung DoubleTime I857 comes with a 12-month local warranty and free shipping anywhere inAustralia or New Zealand. It can be purchased now fromMobiCity.
