4Cabling rank in Australia's Smart50 list

Online Data Cable and Server Rack Wholesaler 4Cabling have placed 26th in the 2011 Smart50 Awards list of growing SMEs in Australia.

Online Data Cable and Server Rack Wholesaler 4Cabling have placed 26thin the 2011 Smart50 Awards list of growing SMEs in Australia.

The Smart50 list, which has been published by SmartCompany for the pastfour years, ranks Australia's 50 fastest-growing SMEs in the 2010-11 financialyear by their average annual revenue growth over the past three years.

4Cabling, which was established in 2006, placed 26th overall among 49other innovative and aggressive businesses in several different industries.

Nicole Kersh, 4Cablng's CEO was delighted with the achievement and stated:

"It is an honour to be recognised as one of Australia's Smart50. The company has gone from strength to strength and it's great to get somerecognition for that and share the achievement with our team."

The Smart50 awards are based on average annual revenuegrowth over the past three financial years. Entrants had to have revenue over\$500,000 and show positive growth in each year to be eligible for the Smart50. 4Cablingposted a growth of 75.48% over the past financial year.
