

# AUSTRALIAN PROPERTY MARKET 101- RIDING THE PROPERTY WAVE

Chan & Naylor helps you understand what's really happening to our property markets

If asset protection, trusts, loan strategies and tax planning are all words that leave you with more questions than answers, visit the Sydney Masonic Centre this Saturday, 28 August 2010 where experts from leading accounting firm, Chan & Naylor will present at a seminar called Understand Whats Really Happening to our Property Markets.

Chan & Naylor's Chairman, Ed Chan and Director, Ken Raiss will help you take advantage of the latest property trends by identifying opportunities to kickstart your wealth creation in the property sector.

Highly acclaimed author and property strategist Michael Yardney will provide unbiased expert knowledge to get you into the right mindset to start growing your investment portfolio.

Chan & Naylor is an industry leader specialising in property investment, asset protection small business, superannuation, accounting and taxation. Ed Chan is also the co-author of Australian best selling business books: How to Legally Reduce Your Tax, Wealth for Life and How to Buy Property with your Super Money.
