

BigAir announces 10,000th subscriber milestone

SYDNEY, Australia - BigAir Group Limited (BigAir; ASX:BGL) today announced that it has reached its 10,000th subscriber milestone, three months ahead of schedule.

BigAir CEO Jason Ashton commented: We had approximately 7,800 subscribers in March this year and since then we've passed the 10,000 mark. We previously predicted that we would reach the 10,000 mark by end of October 2006 which was 12 months from the lodgement of our prospectus. We have hit this target three months ahead of schedule. This is a fantastic achievement for the business.

About BigAir Group Limited (ASX: BGL)

BigAir is a wireless broadband service provider, which offers high-speed data telecommunications services to customers over three state of the art wireless networks in Australia. BigAir owns and operates its own fixed wireless network covering the Sydney metro area, and is the largest provider of customer services on the iBurst mobile wireless network with coverage in all Australian Eastern Capital cities. BigAir also provides services on the Unwired network which has coverage in Sydney and Melbourne. Access to these three leading wireless networks positions BigAir as the leading integrated wireless solutions provider in Australia.

BigAir is a Licensed Telecommunications Carrier with plans to expand its Sydney based fixed wireless network into the other capital cities. BigAir is able to offer a range of wireless communication solutions including high-speed symmetric fixed broadband from 2M to 100M, mobile wireless and portable wireless services, and hosting and co-location. BigAir also delivers business-grade Voice over IP (VoIP) services. For more information, please visit www.bigair.com.au
