

Canon Christchurch Celebrates

Canon Christchurch has reason to celebrate after moving into their new premises in the Hazeldean Business Park.

Canon Christchurch has reason to celebrate after moving into their new premises in the Hazeldean Business Park.

Marking the occasion was a race day themed party where over 100 clients, guests and staff enjoyed the festivities and excitement of the Melbourne Cup.

The day proved to be the perfect opportunity for Canon to present the Mayors office with a cheque for the Christchurch Earthquake Relief Fund. The proceeds were raised in a recent auction Canon staff ran through Trademe, auctioning over 100 Canon products.

Ngairé Button, Deputy Mayor of Christchurch City Council, attended and accepted the cheque on behalf of the Mayors office.
