

CSL LIMITED SELECTS CINCOM ECQMS

(Sydney, Australia) - Cincom is pleased to announce the selection by CSL Limited of its Enterprise Compliance and Quality Management System (ECQMS). ECQMS helps to effectively manage corrective and preventive actions (CAPA), investigations, customer complaints, internal and external assessments, document control, supplier quality, equipment calibration and maintenance, and employee training. ECQMS was selected as the best solution to satisfy CSL's quality and global compliance needs.
