

## Dull computing accessories are a thing of the past with the new Gold Pockey USB 2.0 external hard drive available in 20GB to 60GB capacities from Bytezone

The palm sized Pockey is an ideal alternative to carrying around paper files, diskettes and CDs, making it an instant hit with technicians, lawyers, teachers, multimedia and all mobile professionals. Keep your sensitive data on your own personal drive, not on your laptop or computer, to reduce your vulnerability to theft. With the high compatibility of the Pockey Drive, you can carry your work with you from home to office or around the world. Whether you are a laptop or desktop user, you can now work anywhere.

The following assessment units are available now from Word Force Advertising & PR for evaluation.
