

# LAN Systems appoints David Smith as Regional Manager for Victoria, South Australia and Tasmania

LAN Systems has appointed David Smith as Regional Manager for Victoria, South Australia and Tasmania

In his new role, David aims to maintain the high market share already achieved by LAN Systems in Victoria, South Australia and Tasmania and to continue to deliver a high level of service to customers. Prior to this David established LAN System's Canberra office.

David has IT, logistics and management experience and was a consultant for SMS Management and Technology. Previous to this he worked with the Department of Defence where he held a variety of senior management positions in areas including project management in Defence acquisition.

David has a Bachelor of Business from RMIT University and a Masters in Project Management from the Defence University, Canberra.
