Leatherman Fuse

Portable Strength and Functionality

The Leatherman

Fuse features an all-blade locking system that is 50% stronger than the original locks. With a one-at-a-time blade selection that gets you just the tool you want very time.

Being lightweight and with a slim chassis plus an assortment of the most-needed tools (13 in total), the Fuse is perfectly compact for smaller hands, putting portability and functionality at the forefront.

Measuring just 10cm closed and weighing 170gms it features Stainless Steel Handles with Zytel comfort-grip inserts, 100% Stainless Steel Body, Lanyard Ring, Leather or Nylon Sheath and is backed by the famous 25 year warranty..
