

NITEIZE BIG S BINER

New Products

NEW from NITE

IZE is the big brother of the original S-Biner

- Introducing the BIG S-Biner, the functional double-gated carabiner clips that are a great way to store, attach, organise, hang and connect items together.

The dual hook design with opposing stainless steel wire gates offers secure closure and allows you to easily and conveniently link two items together. The Big S-Biner also features a durable, yet lightweight plastic construction.

The BIG

S-Biner has a large capacity, handy for tradespeople, or simply for organising or DIY jobs around the home, ideal for secure storage of extension cords, ropes, bicycles wheels and more.

Fitting objects up to 6.4cm in diameter, they are available in small, medium & large sizes in a variety of colours (large is available in black only).

Priced at \$24.95
