

OBS Awarded Microsoft Education Partner of the Year

OBS was announced as the Microsoft Australian Education Partner of the Year Award winner at the Microsoft Australian Partner Conference held last week on the Gold Coast. OBS was selected from hundreds of partners across Australia for its impact in public and private education. "This is a great award for us, after 11 years in delivering IT solutions and services to the Education Sector across Australia, we are very proud to receive this valued Microsoft recognition", said Brian Cook, OBS CEO. OBS is Australia's premier SharePoint specialist, helping organisations get value from SharePoint through business focused products and solutions. For the last 2 years OBS has been nominated as one of BRW's Top 10 Places to Work in Australia and was also awarded the 2009 Microsoft Community Impact Partner of the Year.
