

## CDC Praxa is SAP 2009 Premium Reseller of the Year for Crystal Reports Solutions

SYDNEY, AUSTRALIA - 31 August, 2009 - CDC Praxa today announced that they have qualified as a SAP 2009 Premium Reseller of the Year for Crystal Reports solutions. This qualification celebrates and recognises a select number of SAP partners who have demonstrated outstanding sales and customer service in the past year.

SAP 2009 Premium Crystal Reports Reseller of the Year recognition highlights and distinguishes CDC Praxa's strong commitment & expertise in delivering Crystal Reports solutions and services to its Australian customers.

"CDC Praxa is very honoured to be recognised as SAP 2009 Premium Crystal Reports Reseller of the Year," said Mr Frank Hung, Managing Director of Praxa Limited. "This award acknowledges CDC Praxa's ongoing commitment and skill in bringing Crystal Reports solutions to drive business improvement and performance for our customers. CDC Praxa will continue to deliver our exceptional Crystal Reports expertise, training and solutions as we have always been to benefit our Australian customers."

"CDC Praxa has proved itself as a valuable SAP partner," said Rajeev Mitroo, General Manager SAP Business Objects. "SAP is pleased to be able to recognise the commitment, professionalism and success of CDC Praxa with qualification as a Premium Reseller for Crystal Reports solutions."

"CDC Praxa is in a growing segment of the market. Analyst research shows companies are looking for easy-to-use, insight-rich reporting tools to help them thrive and grow in a recovering economy. I look forward to further growing and developing SAP's relationship with CDC Praxa."

Crystal Reports is one of the most widely used reporting software solutions in the world. It enables users to easily design interactive reports and connect them to virtually any data source for better operational and strategic decision making.
