Reveal Your Hidden Talents and Secret Lives in
Seagate's Precious Memories Competition for Journalists

Are you harbouring artistic talent? Seagate is calling for Australian journalists to step out from behind the comfort of the written word, the microphone or camera and enter its Precious Memories Competition, which opens today at www.seagatepromos.com .

You can enter in one of three categories - photo, video or a digital design. All work will be exhibited online at the Seagate Precious Memories Gallery where friends, family and the public will be able to vote for their favourite entry.

The winners, who will be decided by popular vote, will be showcased at Seagate's Media Christmas Party to be held in Sydney on Thursday 29th November. The Precious Memories Competition category winners will each receive a 1TB Maxtor OneTouch 4 Plus external drive valued at \$599, with runners up snaring a Maxtor OneTouch 4 Mini drive valued at \$179.

The competition is open now and accepting entries. Voting opens on 5th November, so we encourage you to start getting creative straight away and load your entry to our Gallery – the sooner your work is loaded the more chances you'll have.

Put your creative side on display for your chance to win!

Ends.
