

# South Australian Business REady - apply today says Innovate SA

Interested in winning major SA project work?

Significant opportunities exist to participate in the supply chains of major mining, resource, defence and infrastructure projects across South Australia. Innovate SA is now seeking Expressions of Interest from SA based companies that want to improve their opportunities for involvement.

SABRE (South Australian Business REady) is a new program developed by Innovate SA in conjunction with DMITRE, SA Government to assist companies to develop their supply chain knowledge and skills. SABRE introduces;

Capability statements - marketing to new sectors  
Accreditation requirements OHS&W, environment, HR & cultural  
Quoting and tendering - government & private  
Project management - risk, resource & finance  
Collaboration models  
Overall business strategy.

Over 2012 the SABRE program will be run in several regional and metropolitan locations.

To register your interest or for a copy of the expression of interest form, contact Innovate SA on 8201 7520.
