

## Spooktacular fashion for dogs this Halloween™en

Make your dog the best dressed this Halloween with their very own ghoulish slogan t-shirt from UrbanPup.com.

To design their t-shirt, simply choose a slogan from the UrbanPup.com Halloween library, pick your colour and leave the rest to UrbanPup.com. Or, if you're feeling creative, you can have your own phrase emblazoned across your pup's threads.

Either way, UrbanPup.com will make your bespoke slogan t-shirt from high quality, fine knit gauge, 100% cotton with a velvety-feel cotton-flock text.

Design your own hoodies and harness t-shirts are also available.

Happy Halloween from UrbanPup.com!
