

Symons & Clark Transport based in Port Adelaide South Australia engages Star Business Solutions

Greentree Business Management & Accounting Software support and consulting requirements to be provided by Star Business Solutions.

Star Business Solutions (Star) is proud to announce that Symons & Clark Transport based in Port Adelaide South Australia has engaged Star to provide their Greentree Business Management & Accounting Software support and consulting requirements.

Symons & Clark Transport Pty Ltd is involved in Heavy Haulage, Container Services, Logistics and Import / Export services. This well known South Australian Transport company traces its history back to 1875. In 1916 Thomas and his son started Thomas Symons & Sons Carriers, carting grain, timber and flour around the Port Adelaide district. In 1981 the business changed its name to Symons & Clark Transport Pty Ltd.

Symons & Clark Transport have all the facilities to service Import & Export container needs including a covered repair facility, 20 acres of storage and is fully Customs and Quarantine approved. Their Heavy Haulage facilities and expertise means that if you want it moved, they can help.

Star is a market leading organisation in business management software solutions with offices in Melbourne, Sydney, Canberra and Adelaide. Star believes that their business solution software partner, Greentree, is the best locally developed integrated business management & accounting software package in the market with Financials, Distribution, Job Costing, Manufacturing, Supply Chain Management, CRM, HR/Payroll, eCommerce, Report Writer, Workflow and Business Process Management. Star's goal is to provide services and solutions that constitute clear, measurable value which will validate each client's choice to partner with them.
