

# The Independent Gaming Corporation Ltd appoints Star Business Solutions to support them in Adelaide

Greentree Business Management & Accounting System gets new support

Star Business Solutions (Star) is proud to announce that The Independent Gaming Corporation Ltd based in Adelaide South Australia has engaged Star to service all of their Greentree Business Management & Accounting Software support and consulting requirements.

The Independent Gaming Corporation Ltd (IGC) [ <http://www.igcltd.com.au/> ] was awarded the Gaming Machine Monitor Licence on the 10th of November 1993 under Section 14, (1) (d) of the Gaming Machines Act 1992. The IGC has been established by the hotel and club industry to provide a secure, centralised computer monitoring facility for the management of gaming machines in hotels and clubs in South Australia. IGC is a non-profit company, limited by guarantee with ownership fully vested with the Australian Hotels Association (SA Branch) and the Licensed Clubs Association of South Australia.

IGCs Charter is: "To provide participating hotels, clubs and the South Australian Government with a monitoring and accounting system of an exceptional standard that is efficient, professional and cost effective through excellence in service quality".

IGC a non-profit company is funded entirely by hotel and club gaming venues through a weekly monitoring fee which is approved by the Treasurer of South Australia annually. As part of its social responsibility, IGC contributes \$2,000,000 annually to the Gambler's Rehabilitation Fund which assists problem gamblers and a further contribution of \$760,000 per annum to various charities and community service groups.

Star [<http://www.StarBusinessSolutions.com.au>] is a market leading organisation in business management software solutions with offices in Melbourne, Sydney, Canberra and Adelaide. Star believes that their business solution software partner, Greentree, is the best locally developed integrated business management & accounting software package in the market with Financials, Distribution, Job Costing, Manufacturing, Supply Chain Management, CRM, HR/Payroll, eCommerce, Report Writer, Workflow and Business Process Management. Stars goal is to provide services and solutions that constitute clear, measurable value which will validate each clients choice to partner with them.
