Ripple Couples Massage for Valentines Day

Ripple is looking after those in love this Valentines

Day with their launch of couples massage day spa packages. More information is at Valentines Day couples massage

The Valentines Day spa packages include many relaxing treatments like massage, exfoliation, facials and gifts.

Ripple Managing Director, Alison Shaw, was inspired by her own Valentines Day experience to create packages for this special day.

I loved the roses he brought, said Ms Shaw, and I really loved dinner, but what made me feel so relaxed was that he booked us into spa treatments where we had our massages at the same time. Just a perfect way to relax before we headed out for dinner.

It was such a divine experience that I decided to introduce it to Ripple as a mobile service, where we can come to our clients, treat them to a relaxing massage, and afterwards they can curl up and enjoy the after effects without having to travel anywhere.

Ripples two hour couples Valentines Spa Package for \$195 includes:

Full body aromatherapy massage with warmed chocolate  
Foot reflexology massage  
Peppermint and lime scented foot soak and foot scrub  
Organic green clay and cucumber cleansing face mask, hot steamed towels, nourishing moisturiser  
Gift of chocolates to nibble on during your massage  
Full body exfoliation to polish your skin with walnut, tangerine and lime scrub
