

## VictorsFood Launches New and Improved Regional Food Tour

VictorsFood have created the ultimate foodie day trip to Sydney's Southwest

Building on the overwhelming success of the original Regional Flavours food tour, the VictorsFood team have added in a shopping stop at a traditional Italian country deli and hands on cooking demonstration at a farm gate.

Travel via coach to Sydney's southwest to visit local farms and producers that help supply Sydney's markets.

This fun and educational day tour takes you to Hoxton Park, Bringelly and Leppington regions where local growers show off their wares and explain their growing and production techniques.

At lunchtime, VictorsFood Chefs will teach you to cook with the produce that has been purchased that morning. The group will then be treated to a generous wine tasting and a delicious sit down meal under the vines at a fig and prickly pear farm.
