2018 INDE.Awards Winners Announcements: The Best Architecture and Design in Asia Pacific

On Friday 22nd June 2018, Indesign Media Asia Pacific celebrated the second year of INDE.Awards, connecting and recognising the Asia Pacific region via satellite feed live from the Gala event in Singapore's JW Marriott Hotel in South Beach to the Zenith Sydney showroom in Surry Hills NSW.

With more than 1,000 of the region's top architects, designers and creative professionals in attendance in Sydney and Singapore, the INDE.Awards in 2018 reaffirms its position as the premier design awards program in the region.

From over 400 entries across 14 countries in the region, all eyes turned on Singapore for the INDE.Awards Gala Night. In what is undeniably a very proud accomplishment for the A+D community in this region, the INDE.Awards represents the most concerted effort to elevate Asia Pacific's design to the global stage. And based on the calibre of submissions this year, it has become clear that some of this planet's most progressive buildings, spaces, objects, proposals and practitioners stem from our pocket of the world.

This year's incredibly diverse shortlist was a tough one to narrow down, and our esteemed INDE jury worked hard to hand-select this year's best in Asia Pacific's design industries.

The night was a tremendous success, rewarding and celebrating the industry's most exceptional design talent from South-East Asia.

Each of the 2018 INDE.Awards winners are now the lucky owners of a bespoke designed, custom-made trophy from our official Trophy Partners, Dinosaur Designs.

On behalf of our official Partners and Supporters, we would like to congratulate the winners and shortlisted candidates of the INDE.Awards 2018.
