

4WD Supacentre carries a range of accessories designed to make your 4WD or camping trip that much more enjoyable

4WD Supacentre carries a range of accessories designed to make your 4WD or camping trip that much more enjoyable and keep you out on the tracks for longer.

When going out 4WDing it's easy to try and pack everything including the kitchen sink but it does pay to have all the right gear when you head out camping.

From First Aid Kits to spare tyre covers we have made sure that 4WD Supacentre stocks all the most important accessories you need for your 4WD in one place! The range of 4WD and Camping accessories available at 4WD Supacentre are some of the most basic but critical pieces of 4WD equipment that no true 4WDer or camper should never leave home without. Our range includes industry leading brands like Adventure Kings, Maglite, Hayman Reese, Survival first aid and Hercules. The world famous Maglite have been around since the late '70s and revolutionized the flashlight industry with bright, compact water resistant and DURABLE flashlights that have become synonymous with first responders and militaries all over the world. It was only natural that 4WD Supacentre carries two of their best-selling torches for 4WDers!

The accessories you need at camp are for more than just work, or 4WDing, when you are at camp, you probably are like us and want to explore! Whether that means getting out and bushwalking the tracks near your campsite, or getting out on the water, This is why Adventure Kings has also developed a highly portable inflatable stand up paddle board, offering the latest in inflatable vessel technology all in a bag that can be carried on your back!

We also stock the Adventure Kings range of 4WD accessories that are all designed to make travelling offroad much easier, by protecting both your vehicle and your camping gear, from the elements, like the water-resistant and durable neoprene seat Covers, or if you are a tradie and want a tougher option the durable Heavy duty seat covers offered by Adventure Kings are perfect for keeping your interior clean. Coupled with a set of deep dish floor mats and a huge range of 4WD gear storage solutions like the Kings dirty gear bag to chuck over your spare tyre carrier, whatever rubbish you pack in, you can easily pack out. The car seat organisers and roof top storage bags offer perfect gear organization for everything from those small nick-nacks to your swag, and everything in-between!

Adventure Kings Gear is built tough to last and to keep your vehicle and your camping gear clean and tidy no matter how wild and dirty the tracks get. The Adventurer RESCUE Swag is a hugely popular remote area first aid kit. It comes with easy to use first aid app for your smartphone that helps guide you through procedures such as CPR whilst being offline. So no matter what you drive these universal accessories are essentials for hitting the tracks or the highway in style and comfort. Make sure you do the right thing by yourself and your passengers and get your 4WD and Camping Accessories from 4WD Supacentre!
