

## A2K Technologies Inducted into Autodesk's Platinum Club for New Zealand

AUCKLAND, NEW ZEALAND – A2K Technologies, an industry-leading solutions, training, consulting and management firm specialising in design technology, has been inducted into the Autodesk Platinum Club, for the highest percentage growth year-on-year in New Zealand.

A2K Technologies' Joint-CEO, Fari Fanaeyan, said the reward reflected the efforts and significant investment A2K has made in New Zealand, to ensure an even greater service for New Zealand customers.

"We thank our valued customers who have trusted us to provide them with the best possible solutions and services. Without them, we would not have been able to achieve this accolade."

The award was announced at the Autodesk One Team Conference in Las Vegas, and acknowledged at the recent ANZ One Team Exchange in Sydney.

### About A2K Technologies

A2K Technologies is an industry-leading solutions, training, consulting and management firm specialising in design technology. Our highly knowledgeable and industry-experienced staff from the infrastructure, building, mining and manufacturing sectors enhances our customers' organisational capabilities, to deliver on project outcomes and differentiate from the competition.

With 150 staff throughout the Asia-Pacific region, A2K has strategic partnerships with many major software and hardware vendors. Our Professional Services and Consulting divisions include many of Australasia's most experienced Autodesk technical consultants.

We have become a trusted technology advisor to our customers through the breadth and depth of our service offering and technical expertise, our commercial flexibility and high levels of customer service and understanding. Our operations, resources and infrastructure equate to the highest-level of technical support, and the widest product offering of design technology software and hardware.
