

AHURA RESORTS FIJI IN THE TOP TEN OF CONDE NAST TRAVELLER'S TOP RESORTS AUSTRALIA & SOUTH PACIFIC 2106

Likuliku Lagoon Resort and Malolo Island Resort take out 9th and 10th positions.

Ahura Resorts is delighted to announce that their multi award-winning resorts - Likuliku Lagoon Resort and Malolo Island Resort, have added another prestigious award by being named in the Top 10 in the Conde Nast Readers Choice Awards 2016 - Likuliku at No. 9 and Malolo at No. 10 - surrounded by equally amazing company from throughout Australia, New Zealand and the South Pacific.

More than 300,000 travellers took part in the 29th annual Readers' Choice Awards survey—a new record—submitting millions of ratings and over 75,000 comments to help create a list of winning favourites. The breadth of the top-rated experiences was impressive, from elegant castles in the Irish countryside to tented safari camps trailing the Great Migration across the Serengeti. Chosen were tiny private islands in the tropics, small culture rich cities in Europe, and intimate river cruises. Most notably, it showed a passion for the authentic, the personalized, the unexpected—finding all three in both newcomers and stalwarts around the world.

Ahura Group General Manager Steve Anstey says, “The Conde Naste Readers Choice Awards have long been regarded as a leading, worldwide authority as far as travel awards go. It is generally a much sought after place to receive one of these accolades, so naturally, we are thrilled to have had both resorts included. We continue to be humbled and amazed to be recognised in this way. It is a wonderful achievement and it is a testament to the quality of the products we have and the delivery of our promise to our guests. Thank you to our incredible staff and of course, to all our valued guests for their continued amazing support”.

Ahura Fijian owner and Managing Director, Tony Whitton, said, “This is big news for both of our resort teams - that we have Fiji Resort experiences continually being counted amongst some of the best in the world, holding their own with other famous hotel and resort brands – some of which who are giants in the industry.

We believe we have firmly established and filled a niche in Fiji on all things Fijian, from traditional Fijian architecture to service delivery and with a unique product offering of Fiji's first and only over-water bures. We thank past guests and the travel industry at large for this acknowledgement.”
