

Air Chair Range by Siesta Now Available at Replica Furniture

Air Chair Original Design by Siesta (Made in Europe) now available at Replica Furniture

Replica Furniture is Australia owned and operated supplier of premium furniture, lighting and accessories to commercial and retail clients.

Replica Furniture is pleased to introduce the Air Chairs range to their extensive offering. The Air Chair range of chairs and stools are original designs by Siesta made in Europe. Stylish and supremely sturdy this range is built to withstand outdoor commercial use day after day. The Air Chair range is a favourite for hospitality customers seeking a strong, stackable European design that will withstand the Australia outdoors.

Now available immediately in Australia wide. Get your Air Chairs today at Replica Furniture.

Features

Built for commercial applications from a single one-piece injection mould, with glass fibre reinforced legs to provide extra strength. UV stabilised polypropylene to prevent fading and discolouration in full sun. The Air Chair is stackable (4 high). The Air Range also includes counter stools and bar stools.

Materials & Construction

One Piece Injection Moulded Weather Resistant (UV Stabilised) Polypropylene Glass fibre reinforced legs Available in Anthracite Grey, Black & White
