I will make Australia an International Hub for the arts

ALL MOVIE MAKERS,WRITERS, ARTISTS, SCULPTORS, MUSICIANS AND CREATIVE PEOPLE UNITE!One of my first actions when my "Australia New Era Party" becomes government in Australia will be to establish a "Ministry for the Arts" and provide grants (means tested of course) to struggling artists to make Australia an International Hub for the arts and a rival for Hollywood. This will create thousands of jobs and flow onto accommodation and hospitality industries and give Australia tourism a boost. SHHH DON'T TELL THE "I'M IN AGAIN PARTIES" they will copy my idea and take credit for it! Instead enrol in my party and make it happen! Send me an email with " I wish to join" in he subject line to www.ray.thyer@bigpond.com and make your future brighter. Cheers Ray.
