

Andatech shortlisted for three Optus My Business Awards

Company recognised in 3 categories - Customer Service Excellence, Innovation, and Leadership

Melbourne, Australia – August 12, 2016 – Andatech has been shortlisted as a finalist to win three awards at the Optus My Business Awards 2016 – Customer Service Experience of the Year, Business Leader of the Year, and Innovator of the Year Awards.

The Optus My Business Awards is hosted by My Business, Australia's longest-running publication tailored to the small business community.

Since Andatech's beginning in 2003, it has quickly emerged as a leading distributor of breathalysers in Australia, a result of its emphasis on quality and performance. The focus has always been to provide products that have a measurable impact on the community.

Andatech's range today includes safety and health products and services for the workplace and home, including drug testing kits, air purifiers, dehumidifiers, and humidifiers.

The Optus My Business Awards, which covers 24 categories, recognises individual and business excellence across the diverse range of industries and locations in which small businesses operate.

Winners in the individual categories will automatically be shortlisted for the coveted My Business – Business of the Year Award.

"This year we've received a huge interest in the Optus My Business Awards, with hundreds of submissions flowing in from across the country. Congratulations to all the businesses that have made it to the finalist stage – it's an outstanding achievement," said Phillip Tarrant, editor of My Business.

"With so much innovation, hard work and service excellence on display, I don't envy the judges their difficult job of determining the winners. I have no doubt the excitement will only continue to build as we count down to the big night."

Irwandy Tan, director at Andatech, said he was humbled by the nomination.

"Andatech's recognition for its excellent contribution to the community reinforces the strength of the brand in connecting with the community and engaging with its customers," Mr Tan added.

The winners will be announced at a five-star gala awards dinner on Friday, 18 November at Sydney's Four Points by Sheraton.

About Andatech Andatech was founded in 2003 as a distributor of Australian Standards certified breathalysers for Australians, and over the past decade has established a reputation as a leader in reliable wellness and occupational health & safety technologies throughout the Asia Pacific. Its range of quality products and services focus on its vision of a safe and healthy environment, at home and at work. For further information visit: www.andatech.com.au
