

# Andy's Earthmovers selects Greentree Business Management & Accounting Software

Star Business Solutions to upgrade software systems for Andy's Earthmovers, a Victorian success story

Star Business Solutions (Star) is proud to announce that Andy's Earthmovers based in Bendigo Victoria, has engaged Star to provide, implement, train, support and service all of their Greentree business management & accounting software system requirements. Andy's Earthmovers are one of the best in the earthmoving heavy vehicle industry for Sales, Rental, Haulage and Maintenance. With more than 30 years experience in the earth moving industry, Andy's Earthmovers are renowned for supplying high quality rental equipment throughout Central and Southern Australia, and quality used equipment sales nationally. Their team ensures that equipment arrives on site - work ready - and set up to each client's site specific requirements. They ensure clients will get the full support of their Maintenance Team who have the knowledge and expertise to maximize equipment availability. Safety is paramount to Andy's Earthmovers, their equipment meets all Regulations and Standards and all personnel are professional and have the current Workplace Health and Safety training. The focus of Andy's Earthmovers and all staff is simple... it is their clients and their needs. With management having 40 plus years of experience in the earthmoving equipment industry, Andy's Earthmovers have the confidence to say that they can provide client focused solutions to all earthmoving needs. They often do more than just provide earthmoving equipment, due to their experience they regularly help clients overcome the challenges they face relating to earthmoving and can suggest positive alternatives that may have been overlooked, or instill confidence in the client's recommendations. Andy's Earthmovers are a true success story and credit to regional Victoria and the excellent enterprises that can develop with drive, determination and skill.
