

APL Management Solutions to join the Star Team.

Effective January 1st 2013, Victorian based APL Management Solutions will be joining Star Business Solutions. Star is the largest Australian Greentree Business Partner with offices in Melbourne, Sydney, Canberra and Adelaide. APL brings considerable expertise in accounting and consulting which will combine with Star's formidable professional services and software development offering. Star and APL clients will benefit from the continuity of dealing with all existing staff and an enhanced product and service offering that incorporates the skills and expertise of the expanded team. Trish Hall
