

Aspley State High School Wins Unisite Furniture

Aspley State High School recently won a Metro table setting and bench seat from Unisite's Metro competition

12 November, 2013 - Aspley State High School recently won a Metro table setting and bench seat from Unisite's Metro competition. The school was awarded the stylish and functional outdoor furniture after it explained how it will breathe new life into the school.

Aspley State High School offers years 8 to 12 to approximately 690 students and is located in Queensland. For them, Unisite's Metro furniture will provide added comfort to present and future students. The table setting and bench seat will be placed within the large, grassy and concreted area that hosts students and guests during lunchtimes and sports carnivals, and local residents during the ANZAC day memorial service.

Unisite's recently concluded Metro competition was open to all Australian schools and private organisations who fulfilled the entry requirements. All competitors were required to answer a question on how they would put the furniture to use and to include a photograph of the relevant outdoor area. The Metro bench seat and table setting are valued at \$203 and \$860 respectively.

Unisite provides clients all over Australia with exceptionally stylish and functional furniture and have helped create ideal outdoor living areas – from council parks to schools. They offer a wide range of furniture items including park seatings, tables, barbecues, drinking fountains, shelters, bike racks, lighting, grandstands and outdoor classrooms. Their products and service can also be used to fit out indoor cafes, restaurants and conference centres.

Each Unisite furniture piece is designed and manufactured to exact quality and safety standards, using the best materials and treatments. At the same time, Unisite partners with their clients providing services and solutions every step of the way – from planning and design, through supply, installation, maintenance and care. With Unisite, you can truly enjoy the outdoors with stylish, functional and comfortable furniture.
