

Australia Wide Car Hire Launch

New look and New search engine coming

Car Hire Bookings launch new look website.

In the next 2 weeks we will be offering a new booking engine offering some of the best price car hire in Australia. Our ambition is to cover the whole of Australia offering a 1 stop shop for car rentals for pleasure or work.

It's not enough to have cheap car rental, when you have to add the insurance extra it can change the whole cost of your car hire. Our excess insurance is one of the cheapest around with no compromise of cover. The way it should be.

Check out our destinations. Here are just a few.
