## AUSTRALIA'S FIRST DIVORCE CENTRE OPENS!

Certified divorce coach and author of the Divorce Tango, Cheryl Duffy has opened Australia's first DIVORCE CENTRE to help individuals and couples navigate one of life's most stressful experiences. The Divorce Centre will provide advice and help through an experienced national and local team of divorce coaches, lawyers, mediators, financial planners, and psychologists.

Cheryl Duffy says "My divorce was horrendous. That's what inspired me to help others on their divorce journey by becoming a divorce coach and opening Australia's first Divorce Centre. Over 30% of marriages finish up in divorce and for some it's the most stressful experience they will have in their entire life. There is an easier way for men and women to get through what is undoubtedly and unfortunately a really difficult time of one's life. "

The Divorce Centre will help provide clarity for people embarking on their divorce journey while giving emotional, legal and financial advice. It's available across Australia with face to face consultations provided remotely via technology in the comfort of their own homes and making it convenient for single parents who won't need to find childcare to go to appointments.
