

Barhead Solutions Australia Achieves the 2019/2020 Inner Circle for Microsoft Business Applications

Barhead Solutions is honored by Microsoft for achieving outstanding sales achievement and innovation. This award represents the top 1% of the total Business Applications ecosystem that contributes to the Worldwide Cloud Revenue with Microsoft Dynamics 365

[SYDNEY, NSW — JULY 31, 2019] — Barhead Solutions Australia specialised consulting firm focused on delivering business solutions, leveraging Microsoft's Technology Stack has achieved the prestigious 2019/2020 Inner Circle for Microsoft Business Applications. Membership in this elite group is based on sales achievements that rank Barhead Solutions in the top echelon or part of the top 1% of the Microsoft's Business Applications global network of partners. Inner Circle members have performed to a high standard of excellence by delivering valuable solutions that help organizations achieve increased success.

2019/2020 Inner Circle members are invited to the Inner Circle Summit, taking place October 1-4, 2019, where they will have a unique opportunity to share strategy and network with Microsoft senior leaders and fellow partners.

This recognition of Inner Circle for Microsoft Business Applications came during Microsoft Inspire, the annual premier partner event, which took place July 16-18, 2019, in Las Vegas, NV. Microsoft Inspire provides the Microsoft partner community with the opportunity to learn about the company's road map for the upcoming year, establish connections, share best practices, experience the latest product innovations and learn new skills.

"Each year we recognize Microsoft Business Applications partners from around the world for delivering innovation and driving unsurpassed customer success," said Cecilia Flombaum, Microsoft Business Applications Lead. "Our Inner Circle members are chosen based on their business performance as well as capabilities as an organization, whether that's creating IP, developing solutions, or having an industry leading focus on digital transformation. Microsoft is honored to recognize Barhead Solutions for their achievements this past year, their dedication to our customers, and their innovation around the Microsoft Cloud."

"As a leading Microsoft Business Applications partner with global cross industry expertise, we cover the diverse product offerings from Microsoft and the broader ecosystem supporting our clients to modernize their systems and processes. Our collaborative client engagement model centered on business outcomes enables us to deliver the most innovative use of technology." said John Orrock, Founder of Barhead.

Our consulting expertise and offerings span the entire Microsoft Stack – Office 365, Dynamics 365, and Azure anchored around a business solution. We cover all the D365 applications (Sales, Service, Field Service, Marketing, Talent, ERP) and, Power Platform (PowerApps, Flow, AI Builder and Power BI).

Barhead's services extend to ISV product development leveraging Microsoft's Power Platform. Barhead has achieved ISV Development Center certification bolstering our capabilities.

Of the award, Ken Struthers, General Manager and Co-Founder, said " We are proud of the work the Barhead team has put in to be recognized as an elite business applications solutions provider. We are incredibly pleased that we decided to invest in a Microsoft business."
