## Chinese businesses now represent over a quarter of all Quality (ISO9001) Certifications issued worldwide.

Australian, US, leading International Personnel Certification organisation, Exemplar Global, to sign joint agreement with China Certification and Accreditation Association (CCAA).

Sydney and Milwaukee based International Personnel Certification organisation, Exemplar Global, certifies industry auditors. Exemplar Global announces that on October 9th they will sign an official agreement with the China Certification Accreditation Association (CCAA) that will see joint recognition of Exemplar Global's range of personnel certifications for auditors working in Quality Management Systems, Environmental Systems and Workplace Occupational Health and Safety (OHS) Systems. It will allow members of CCAA to now get international recognition of their auditor skills through Exemplar Global. It will also allow Exemplar Global's customer community of 10,000 certified industry auditors to get recognition of their auditor skills through CCAA for work in China.

Peter Holtmann, President and CEO of Exemplar Global comments "This occasion has been many years in the making and I very excited the moment has arrived where we can truly partner with China. Our joint products will see us recognizing the largest number of audit professionals globally and we want to show that auditing is a globally recognized career and a profession to work towards."

Exemplar Global will be hosting a short signing ceremony at the New South Wales Business Chamber in Sydney on 9th October and then providing the delegation from CCAA with a tour of their offices in Penrith, Western Sydney. Exemplar Global was formerly known as RABQSA.

Interested parties and press are welcome to attend the signing ceremony. Please contact Edward Balfour, Exemplar Global, Sydney office for further details including any request for corporate images.
