MELBOURNE - 13 JUNE 2019 - Prominent Australian children's entertainer, Bethany Fisher, has taken out two of the industry's most prestigious titles at the 2019 What's On 4 Kids Awards; showcasing her intergenerational popularity right across the country.

Bethany was announced as the winner of the 'Best Kids Live Show' and the 'People's Choice for Kids Activity Industry Leader of the Year' at the What's on For Kids Awards gala dinner at Sheraton Grand Mirage on the Gold Coast on Saturday, 1 June 2019.

The 2019 What's On 4 Kids Awards - Recognising Excellence in Australian Kids Activity Industry event is Australia's only industry event for the kids activity, family entertainment and party businesses. All nominations are judged by an independent panel with the 'People's Choice' winners decided on community voting.

Bethany says that she is honoured to have won and attributes her win to hard work and determination to succeed in an increasingly competitive entertainment industry.

"I'm so fortunate to have a job that I love, and then to be recognised for all the effort put into choreographing, set design and video production. With every show we aim to make sure our fans are given an exceptional and entertaining performance each and every time."

"I am so thankful to all my fans for their support and for placing their votes. There is such variety in children's activity and entertainment, so I feel so privileged that our fans have cast their votes to award us the People's Choice award."

"I love what I do because I get to make kids smile. I think the world would be a better place if we could put the smiles on the faces of more people."

Elise Easdown founder of the What's On 4 Kids Awards commented:

"We feel very privileged to not only work with this industry but to also celebrate them with the What's On 4 Kids Awards. Winning awards gives the industry recognition, increases team morale and workplace culture and leads to more family interest".
