

BLACK WOLF GROUP HONOURED AS 2x BRONZE STEVIE® AWARD WINNER

In 2020 Stevie Awards for Great Employers

Black Wolf Consulting (BWC) CEO Tanya Abbey was named the winner of two Bronze Stevie® Awards at a virtual ceremony in Las Vegas, USA for the fifth annual Stevie Awards for Great Employers.

The Stevie Awards for Great Employers recognise the world's best employers and the human resources professionals, teams, achievements and HR-related products and suppliers who help to create and drive great places to work.

More than 700 nominations from organisations of all sizes were submitted this year for consideration in a wide range of HR-related categories, including Achievement in Workplace Safety & Compliance, Employer of the Year, Chief Human Resources Officer of the Year, Human Resources Team of the Year, Employee Relations Solution Provider of the Year among others.

Especially popular were six COVID-19 Response categories of which Tanya Abbey and the BWC team took out two awards, including: Most Valuable HR Professional during a pandemic and the Best Use of HR Technology during a pandemic for the BWG's recent tech-start up, Co Health Workforce Management.

"We couldn't be more proud for being recognised among some of the largest corporations in the world," said Abbey.

"As a boutique, family owned and operated Gold Coast business, it's such an incredible honour to be awarded alongside companies like IBM, Dell Technologies and DHL, especially during a global pandemic."

"The awards are a credit to our team, and the work we have done, to not only secure their jobs, but the jobs and wellness of other employees in the wider workforce through Co Health." She said.

More than 90 professionals worldwide participated in the judging process to select this year's Stevie Award winners.

"In the fifth edition of the Stevie Awards for Great Employers, the judges were impressed by the Stevie winners who - during the crises we've confronted this year - continue to dedicate each day to making the lives of their employees and teams better through training, software, work-from-home plans, and more. We are pleased to celebrate them in 2020 and look forward to what they will accomplish in 2021," said Maggie Gallagher, president of the Stevie Awards.
