

# Be inspired to live sustainably, build, renovate or decorate at the Perth HIA Home Show, 2018

Thousands of Perth homeowners, renovators and local trade are set to flock to the HIA Home Show this March at the Perth Convention and Exhibition Centre.

Proudly supported by the HIA and held over three days from Friday 23 - Sunday 25 March, more than 170 exhibitors will showcase the latest products, services and innovations for every home improvement project.

The Home Show team are excited to present Eco Town, a new interactive and educational feature focusing on sustainability and making homes more eco-friendly. Residents of Eco Town will include Auto Classic BMW with their electric BMW i3, Tiny Homes WA, The Worm Shed, Living Smart and more. The feature will also give visitors the chance to Speed Date a Sustainability Expert proudly brought to the Show by the Alternative Technology Association and the City of Perth.

Homeowners can clarify their renovation direction at the Colour Your World Stage proudly sponsored by CurtainWorld. Industry experts will showcase the latest ideas in interior design, bathrooms, planning, outdoors and much more.

For visitors looking for FREE expert advice, the HIA Ask an Expert area will feature 20-minute design consultations with leading builders and designers. Make an appointment online or at the Show.

The 2018 Show also sees the inclusion of the NEFF Cooking Stage hosted by MasterChef contestant Josh Catalano, who will be preparing a range of fresh meals including quality seafood dishes.

"The Perth HIA Home Show makes updating your home easy", Event Director, Shane Kenealy says.

"It's a unique opportunity for homeowners and trade to source the latest products and services for their project, all under the one roof", Kenealy explains.

Find new products, great savings and the biggest names in renovating and building including Bosch, NEFF, Gemmill Homes, Laminex Group, Subiaco Restorations, Dale Alcock Homes, Synergy and more.

The Home Show is Perth's longest running and most trusted building and home improvement event, and a great day out for the whole family.
