

Business Academy Online holds it's first LIVE EVENT

Centre for Internet Marketing Excellence

(Sydney, Australia, June 8th, 2010) Business Academy Online (BAO) is holding it's first of many free live events nationally, teaching and directly individuals and small businesses how to make money online.

One of the only sources of free Internet Marketing DVD's online, BAO uses everyday language and concepts to teach the raw principles of online business.

The event is being presented by industry leader Sean Rasmussen – Australia's leading Internet Marketer.

Sean will be passing on his tips and techniques that brought him his unsurpassed success.

A must for all online businesses and individuals on the east coast looking to get started making a passive income online.

Event date 16th June 2010 at North Ryde.
