

CBH Group appoints ORIX Australia as outsourced Fleet Management and Leasing provider in Western Australia

Sydney, Australia – April 30, 2019 – ORIX Australia Corporation Limited (ORIX) today announced that, following a competitive process, CBH Group has appointed ORIX as its outsourced Fleet Management and Leasing provider. The CBH Group is Australia's largest co-operative organisation and a leader in the Australian grain industry, with operations extending along the value chain from grain storage, handling, transport, marketing and processing. Owned and controlled by more than 4,000 Western Australian grain growing businesses, the core purpose of the CBH Group is to sustainably create and return value to growers*. ORIX is a trans-Tasman Fleet Management and Leasing Organisation, currently employing over 300 people and managing assets valued in excess of A\$1 billion. ORIX's offer to CBH Group includes traditional fleet management and leasing services to support CBH's fleet of vehicles. The offer was complemented by enhanced Mobility-as-a-Service (MaaS) capabilities tailored for CBH Group and designed to optimise the cost of managing mobility within the Group. Further, by accessing ORIX's innovative technology package, CBH Group and ORIX were able to develop a support package that allows CBH Group to extend industry best practice fleet management and leasing capabilities to its substantial network of growers and suppliers. ORIX will engage CBH Group in the near future to further extend its offer to include Novated Leasing and a Vehicle Buying Service to its members and employees. *www.cbh.com.au/about-cbh <ENDS> About ORIX Australia Corporation Limited ORIX Australia Corporation Limited (ORIX) is one of the world's leading fleet management companies.
