

Chelsie is shining with her custom-made ring from Larsen Jewellery!

Larsen Jewellery is delighted to have custom made the ring for The Bachelor Australia Series 7 as the Official Ring Partner for the third consecutive year

Larsen Jewellery is incredibly pleased to have been a part of The Bachelor Australia Series 7 as the Official Ring Partner, and to have been able to assist Matt Agnew in designing and creating this incredibly beautiful commitment ring that Matt has given to Chelsie. In preparation for the finale episode, Senior Larsen Jeweller, Kate Reid met with Matt for a one-on-one jewellery consultation. Together, Matt and the team at Larsen Jewellery designed the beautiful bespoke ring for his chosen Bachelorette, Chelsie. Matt was taken by the rarity of the colours and shapes of some truly unique gemstones, and his final selection was carefully considered and personal. "As a Senior Jeweller at Larsen Jewellery, I was fortunate enough to meet with Matt and discuss his ideas for a perfect gift for his chosen bachelorette. I showed him various gemstones and diamonds and we spoke about a number of different design options," Kate notes of her appointment with Matt. "The custom-made ring is set with a striking 3.73ct rectangular cushion cut grey Spinel gemstone, accentuated by two dazzling shield cut diamonds. The unique ring was entirely handmade by one of our most talented Jewellers using Fairtrade™ 18ct rose gold," Kate continues. Fairtrade certified gold is responsibly mined. This means that the miners have received a Fairtrade 'Minimum Price and Premium', which assists with social, environmental and economic development in their communities, and in turn creates better living and working conditions. Fairtrade gold helps miners and their communities to work their way out of poverty in South America and Africa. Co-Founder of Larsen Jewellery, Lars Larsen comments: "As always, we have really enjoyed the process of working with The Bachelor Australia team as the Official Ring Partner for Series 7. This is the third year in a row that we have partnered with The Bachelor Australia as the Official Ring Partner, and each year we are impressed by how engaged The Bachelors have been with the process. We are once again very excited to be able to showcase our work to both Matt and the shows' viewers".
