The perfect way to treat your staff, clients or friends; Ripple's seated massage gives a new slant to the traditional Christmas party.

Even better, the massage is undertaken by professionally trained and qualified therapists in just about any setting.

"We have massaged just about anywhere and everywhere," said Ripple's Owner, Alison Shaw.

"On beaches, in the rainforest, on decks and verandahs, boats, islands, offices you name it, we have probably done it."

"The beauty of the seated massage is its so flexible, massages can be anything from two minutes to twenty minutes per a person, its done fully clothed and is a great way to add some easy pampering to a party that everyone will enjoy."

Booking seated chair massages are easy and prices start at \$95 for the hour. A number of therapists can be sent at the same time for group bookings.
