

After spending so much more time at home in 2020, Australians are certainly looking to upgrade their at-home coffee machines. This Christmas give the gift that keeps on giving - a JURA fully automatic coffee machine. With options to suit all sized households, JURA's premium Swiss engineered and designed coffee machines are endorsed by Roger Federer and are fully automated to produce silky fine foam at the touch of a button. Using only fresh beans, not capsules, a JURA coffee machine is a true bean-to-cup experience that allows each user to customise their favourite cup of coffee right down the grind – it's as easy as that! For the apartment living: ENA 8 Nordic White – RRP \$1,899: Only 27.1 cm wide – this one-cup machine will comfortably fit anywhere. Easy to use 2.8" TFT display and clearly defined operating panels. 10 specialties at the touch of a button including espresso doppio. A cylindrical shaped water tank inspired by premium crystal carafes; available in sunset red, arctic white or metropolitan black. Fine foam technology that creates airy, feather-light milk foam. For the family home: JURA S8 Chrome – RRP \$2,790: A 4.3" high-resolution colour touchscreen display. 15 different specialties at the touch of a button including flat white. Graphics and animations show every step of preparation. Professional fine foam frother for the ultimate smooth milk texture. Control via smartphone or apple watch with the JURA Operating Experience (J.O.E ®) Coffee App. Built with premium materials including a bean container cover made of hand-polished die-cast zinc. For the entertainers: JURA Z8 Aluminium – RRP \$4,690: Professional Aroma Grinder guarantees 12.2% more aroma and consistently high grind quality so that flavours unfold to perfection. 21 different specialities at the touch of a button including a pot of coffee. 4.3" high-resolution colour touchscreen display. 2 x 8 different specialities can be selected simply by touching the start screen. Crafted from high-quality materials with painstaking attention to detail. Control via smartphone or apple watch with the JURA Operating Experience (J.O.E ®) Coffee App. JURA's range of fully automated coffee machines are available now online at www.au.jura.com as well as selected independent and specialty outlets. About JURA: JURA's products stand for innovation, ease of use and sustainability. JURA believe in the perfect cup of coffee, using fresh beans, freshly ground and extracted at the touch of a button. The product range includes both machines for domestic use and professional models for the office and food service industry. In recent years the long-established Swiss brand has grown to become a global player, operating in around 50 countries.
