

Commercial Furniture Direct is quickly becoming one of the favoured online stores for Australian's to buy commercial and restaurant furniture.

Casual cafes, eateries and dining establishments represent one of the fastest growing categories of new businesses and the need for hospitality furniture Melbourne is increasing. Commercial Furniture Direct specializes in café chairs, stools, tables, dining sets and accessories and announced its most recent arrivals.

Commercial Furniture Direct offers an extensive line of affordable and durable furniture for a wide variety of establishments, whether it's a new restaurant, Internet café, or a pop up eatery. Each piece is carefully curated to provide customers with a comfortable place to share food and drink with friends or family.

New arrivals of hospitality furniture Melbourne at Commercial Furniture Direct include three-piece Paris dining sets, Fitzroy tables, and Carlton tables and chairs. Each offering is available in multiple colors, styles, sizes and materials to accommodate every space requirement. Clients will also find Zurich bar tables, export bar tables, and Munich benches to complement any décor. Offerings are equally appropriate for lobbies and similar environments.

Clients can choose from individual chairs, stools or chair packages for any type of establishment, whether it's a restaurant offering fine dining or a beachside ice cream bar. Cafe chairs Melbourne encompass a myriad of choices from replicas of classic designs to those for retro-themed restaurants. Clients can select those that mirror French provincial to trendy modern styles.

Every establishment must have tables and Commercial Furniture Direct provides tables that complement any environment, setting and trend. Cafe tables Sydney can accommodate interiors featuring industrial or ultra-modern looks. Versatility and style are benchmarks of the company's offerings.

To set the tone for any business, the company also offers scatter cushions, pod chairs and bean bag chairs. Stylish, low maintenance fire pits are available to eliminate the chill, enabling businesses to stay open longer. Clients can choose umbrellas, hammocks and hanging chairs, along with loungers and furniture specially designed for outdoor entertaining.

The new arrivals available at Commercial Furniture Direct provide businesses in the food and hospitality sectors with even more stylish furniture choices at affordable prices. Each piece is designed and selected to enhance ambiance and provide comfort for customers.

About Commercial Furniture Direct

Commercial Furniture Direct is a 100 percent family owned Australian business. We are passionate about living and entertaining. We believe in our products. We understand that furnishing a café or restaurant is about more than acquiring objects – it's about enjoying the good life with food, wine and friends. It's about making the most of the best company. We do our bit to make this experience all that it can be by specializing in high quality items that offer the finest in comfort, style, durability and convenience.
