

Cross Plumbing 37 Years of Plumbing Services in South Brisbane and Logan City

Cross Plumbing is a plumbing service offering unmatched plumbing service to customers in South Brisbane and Logan City.

Cross Plumbing is an Australian owned family business that has been in service for 37 years. The firm is also known as M.A. Cross Plumbing after the name of its owner Michael Cross. The plumbing service offers both commercial and residential plumbing services to customers in South Brisbane, Logan City. The service covers more than 50 suburbs in the South Brisbane area and is available 6 days a week.

Besides plumbing Cross Plumbing offers drainage and roofing services as well! M.A. Cross Plumbing is committed to providing environmentally-friendly and sustainable solutions for clients. The company's team has undergone Green Plumbers training for water audit assessments, waste water management, and solar hot water systems. The solutions are economical and lessen clients' carbon footprint.

The Logan plumber conducts installation, repair and maintenance of all water and drainage systems. M.A. Cross Plumbing has twenty years of membership with the Master Plumbers Association of Queensland. The plumber in Logan is not just able to fix common plumbing problems but being a Master Plumber Association member they are able to upgrade old plumbing works at both residential and commercial locations.

M.A. Cross Plumbing is experienced in storm water systems, greywater systems, rainwater tanks , water pumps, taps and faucets. The company provides drainage and plumbing systems for new homes and renovations. The plumber Logan is also skilled in roofing, gutter systems, and leaf free gutter guards.

Michael Cross, owner of M. A. Cross Plumbing says, "We understand how much damage a water leak can cause, so if you need plumbing repairs for leaking pipes or a broken water heater or a leaky toilet, we will send our plumbers Brisbane out to you promptly so that you can get on with the tasks of daily living. Our repair services include frozen or leaking pipes, leaky toilets, broken water heaters and more. No job is too small or large for our team of expert plumbers!"

At Cross Plumbing, the plumbing work is always handled with the utmost care and caution to assure that we make no mistakes and that every plumbing job done is up to all of the appropriate construction codes, so you never have to worry about a poor or unreliable plumbing job. Also, remember that Cross Plumbing works at your convenience – not only will we work on your schedule, but we always clean up after ourselves when we finish a plumbing job.

About M.A. Cross Plumbing Michael Cross is able to assist you with products and solutions that best fit your needs. We are fully qualified trades people and we are here to offer you sustainable solutions while delivering quality workmanship and expert advice. We've been a member of the Master Plumbers Association for more than 30 years. We were sponsors of the first Sustainable House Brisbane built at Seventeen Mile Rocks in 2007.
