

# Logo crowdsourcing site launches with 25,000 designers

CrowdsourceLogo.com (a new, online logo design crowdsourcing service) launched today with over 25,000 logo designers

CrowdsourceLogo.com(which launched today) is a new website and online service for logo crowdsourcing. CrowdsourceLogo.com allows its users to run a logo design contest to get their logo design completed. CrowdsourceLogo is powered by leading crowdsourcing website DesignCrowd.com and provides another fantastic resource for entrepreneurs, business owners, logo design studios and printing companies looking to outsource logo design or get creative logo design ideas.Crowdsourcing logo design is a new innovative approach to logo design - DesignCrowd, a leading design crowdsourcing site was established in 2008 is the engine behind CrowdsourceLogo.com. To crowdsource logodesign, you post your logo design brief on CrowdsourceLogo.com which then cross-posts it to DesignCrowd. Thousands of logo designers from around the world view your logo project and then upload 50 to 100 or more creative logo design ideas!CrowdsourceLogo.com aims to provide "supercharged logo design" that is faster, cheaper and much more creative than the normal logo design process. CrowdsourceLogo.com will initially provide access to over 25,000 logo designers from around the world (fromIndian Logo DesignerstoAustralian Logo Designers) through its relationship with DesignCrowd.com but this number is expected to grow to over 100,000 by the end of 2011.
