

CXC Global appoints new Sales Manager and Customer Services Manger

CXC Global has appointed Shannon Gardner and Diane Barnett as the new Sales Manager and Client Services Managers

Shannon Gardner has been appointed as National Sales Manager for CXC Global and joins CXC with several years of Sales and Management experience in the contingent workforce solutions industry, in both Australia and the UK. Shannon's knowledge of the International contracting industry will enable him to implement the strategies and solutions that will help CXC Global to attain its ambitious growth targets in Australia, New Zealand and the Asia Pacific Region. Shannon also has a background in Financial planning and worked at AMP as a Financial Planner. He has a Bachelor of Business in Financial Planning from RMIT, which was gained with a Distinction average and also has a Bachelor of Business in European Business, which was gained on an International Scholarship at the Ecole de Management de Normandie in France. Diane Barnett has been appointed the new Client Services Manager. Diane has 22 years experience in customer service management and is familiar with Australian "big four" banking culture having worked for Westpac and more recently at G.E. Diane will be responsible for the day to day management of the Customer Management Services department, identifying and implementing stratetgic growth opportunities to achieve company goals. ABOUT CXC Global.
