

## Design Capital launches a new look website to prepare for an exciting 2021!

Design Capital Australia® is thrilled to reveal their new website

Gold Coast, January 13, 2020 — Design Capital, Graphic Design & Branding, announced today the launch of their new and modern website. The new website showcases the services available in:

- Graphic Design – services include design of marketing material such as brochures, business cards, leaflets, car wraps, social media advertising...and more (including the printing).
- Branding & Logo Design – whether you are setting up a new business venture, or require a revitalised and new logo design for your existing business.

Owner, Donna Bouma wanted a website which represented a clean and modern look that reflected the professional service that customers can expect when they engage Design Capital's services. Donna is passionate about branding, saying that "my philosophy is that every business should have a brand and logo that they are wholeheartedly proud of".

As a small business Design Capital is focused on providing quality professional graphic design services – specifically catering for businesses that want personalised and high-quality customer service, as well as awesome graphic design services, which is brought to life by over 20 years of experience.

Design Capital has been successfully operating for over 10 years and has happy clients across Australia – the new website focusses on the company's origins from the Gold Coast, Brisbane and Canberra.

The website will be expanded over the coming months to highlight even more exciting services and offers. Donna is keen to impart her knowledge and customers can sign up to the Design Capital newsletter or read the blog providing invaluable graphic design and branding tips directly through the website.
