

DNA Connect Recognized as Recipient of 2018 Splunk Partner+ Award

DNA Connect Named APAC Distribution Partner of the Year for Outstanding Performance

Sydney – March 12, 2018 – DNA Connect today announced it has received the APAC Distribution Partner of the Year for exceptional performance and commitment to the Splunk® Partner+ Program. The APAC Distribution Partner of the Year award is a regional award that recognizes the top revenue- and value-generating distribution partner in the region. Learn more about the Splunk Partner+ Program [here](#).

The Splunk Partner+ Awards are designed to recognize members of the Splunk ecosystem for industry-leading business practices and dedication to constant collaboration. Areas of consideration for an award include commitment to customer success, innovative program execution, investment in Splunk capabilities, technology integrations and extensions, and creative sales techniques.

“We’re delighted to receive this recognition from Splunk for yet another successful year in our Partnership,” said Munsoor Khan, Executive Director, DNA Connect. “We continue to work very closely together to ensure that the Partner+ Program provides the platform our Partners need to deliver innovative Splunk solutions to their Customers.”

“As a vital partner to Splunk, we applaud DNA Connect for being recognized as an APAC Distribution Partner of the Year,” said Cheryl Chin, vice president of Global Partners, Splunk. “The Splunk Partner+ Awards recognize partners like DNA Connect, who exemplify the core values of the Partner+ Program coupled with a strong commitment to growth, innovation and customer success.”

Winners of the Splunk Partner+ Awards reflect the top-performing partners globally and regionally. All award recipients were selected by a group of the Splunk executives and global partner organization. Read more about the Splunk Partner+ Program.
