

## Enhance your sense of wellbeing with this solar-powered Buddha - he looks great by day and spectacular by night!

Dear xx We could all use a little peace and serenity in our busy lives. So let our Solar Buddha Statue be your inspiration. Ideal as either a decor piece indoors or for creating a sense of tranquility in the garden. If you place him outdoors during the day, the solar panel will charge the rechargeable Ni-MH battery so that, by night, the 5 LEDs around the Buddha illuminate automatically. The perfect reminder to stop, take a deep breath and enjoy your surroundings. Once installed, all that is left to do is sit back and enjoy the ambience. High-res images available to download here Automatically turns on at dusk and off at dawn. Up to 8 hours of light each night when fully charged. Rechargeable, replaceable Ni-MH batteries 2x AA 1.2v 600mAh No wiring, simply install and enjoy. No operating costs.
